

JEVTIĆ NENAD

JUNIOR SOFTWARE DEVELOPER

11/04/1996

jevtic.nenad.jevta@gmail.com

Šabac - Novi Sad

ABOUT ME

I'm self-taught, Junior Software Developer from Novi Sad, Serbia. Lately I'm learning Java & Spring Boot, as well as other technologies. My goal is primarily to gain experience and work on personal development. I am very dedicated and persistent in what I do. I also want, in addition to gaining new knowledge, to improve existing ones and thus continue to build a career as a Software Developer.
